Do You Qualify for Free Mental Health Care?

Have you been diagnosed with COVID-19? Have you lost a family member or friend? Do you feel lost, depressed, and anxious? Are you uninsured and unable to pay for care?

If you answered “yes” to these questions, Premier Mobile Health Services can help you. COVID-19 has impacted Premier’s priorities for 2022 as there is a growing need for healthcare, and for resources and access to mental health services. In response to these needs, they created their innovative Health Improvement with Care program. Premier is the recipient of a Lee County American Rescue Plan Act Grant through the United Way of Lee County to fund the implementation of this program. The program is designed to identify and treat individuals who contracted COVID-19 and are still battling residual symptoms during the last two years.

If you qualify, services include access to free medical care, mental health screening, case management services, referral and linkage to social services, and ongoing support.

Nadine (Deanie) Singh, APRN, FNP-BC, Founder and Executive Director states “Premier specializes in providing lifesaving, high quality care for the medically vulnerable members of the community. We have two mobile medical clinics and a walk-in clinic/administrative office to serve our patients. Currently, we travel to five underserved communities in Lee County. We deliver the level of care and attention to detail essential for patients needing mental health intervention. Our multi-lingual staff is committed to bringing health equity to everyone, we focus on their concerns and deliver care with compassion and sensitivity regardless of their life circumstances.”

To schedule an appointment or for further information call 239-288-7949. The walk-in clinic is located at 10676 Colonial Blvd, Suite #20, Ft Myers, FL 33913. To see the mobile clinic schedule go to www.premiermobilehealth.org.

The mission of Premier Mobile Health Services is to provide access to quality health care services to the medically vulnerable and to those who are at most risk of developing and experiencing long term illnesses and hospitalization. As a 501(C)3 tax-exempt organization,

they provide service through donations and grants. They are changing the way that health care is delivered in Lee County.
